20 December 2019

2019-2020 Report #25

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

Information – Communication – Correspondence

1. News From Around the State and Beyond

Report: [Teen marijuana vaping is on the rise](#)

- 2. Secondary School Electronic Sign** – You may have noticed the electronic sign has not been functioning including the correct time and no messaging of events. With the change in the fax system, it impacted the ability to communicate with the sign. At this point, we may simply turn it off for now until we are able to find a replacement.
