24 January 2020

2019-2020 Report #28

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

3. **Policy Committee Meeting Planned** – We have additional MSBA revised policies to review along with possibly one or two new policies. I will communicate with Committee members Rick Schultz, Dan Schmidt and Rich Mueller to schedule a date and time.

4. **“Thank a Coach/Advisor Week”** – As I mentioned at Tuesday's Board meeting, with the support of Minnesota Gov. Tim Walz, the Minnesota State High School League, the Minnesota Interscholastic Activities Administrators Association and the Minnesota State High School Coaches Association are launching a campaign of gratitude to thank statewide coaches and advisors for their service in extra-curricular activities.

“Thank A Coach/Advisor Week” will take place from Jan. 27 through Feb. 2. The campaign is designed to promote, recognize and support the thousands of coaches and advisors across Minnesota that are making an integral, positive and lifelong impact on youth in the classroom and athletic settings. We join school districts around the state in honoring and supporting the thousands of coaches and advisors across Minnesota that make an integral, positive and lifelong impact on our students. The impact of coaches and advisors is an asset to our education-based profession, students, school districts and local communities. Thank you, coaches and advisors, for all you do!
