

District Status Report

21 February 2020

2019-2020 Report #32

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.
