The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

5. MSBA Zoom Webinar with Minnesota Secretary of State Steve Simon – Board members should have received the invite below from MSBA for the Zoom webinar with Secretary Simon. I would encourage all Board members to participate if you can especially due to Board member elections and the operation referendum that will be on the November ballot.

Dear School Leader:

Join MSBA for a **Zoom webinar noon Thursday, June 18**, to talk about the new elections bill and fall elections with **Minnesota Secretary of State Steve Simon**.

The webinar will review what is new in the bill — such as extended time to count absentee ballots, a likely increase in early voting and curbside voting, and other changes that may affect polling place locations.

These changes could affect when your school board canvasses elections and could result in many more early votes cast that could affect districts asking for bond or operating levy support.

When: Noon Thursday, June 18, 2020
