

District Status Report

19 July 2019

2019-2020 Report #3

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

2. **Design and Build Update** – User groups at the Secondary School met with ISG architects for a second time on Monday, July 15, to review initial classroom designs specific to Science, FACS, Agriculture, and Industrial Tech. Knutson Construction was also in attendance. A third meeting has been set for Monday, August 12. Following the August 12 meeting, I should be able to share an update as to the design work up to this point. Discussions are still taking place as to classroom design and shop addition location and design at the Secondary School, and secure entrance location and design at the Elementary School.

3. **Board Budget Work Sessions** – The Budget work session is planned for Wednesday, September 11, beginning at 5:30 pm, in the Secondary School Media Center. Objectives for the work session include:

- 2019-2020 Budget adjustment expectations and directives
- Budget reduction process including priorities and parameters to apply for 2020-2021 budget development
- Long-range financial strategy including operational revenue and expenditures. Adopt a district philosophy that maintains any fluctuation in the property tax within a defined range. This would assist the District in managing a "smoothing" effect on property taxes and develop a long-range strategy in responding to decreasing debt and opportunities to increase revenue.

Dinner will be provided and available at 5:15 pm.

4. **School Board Self-Evaluation and Goal Setting for 2019-2020** – In recent years, the Board has held a work session in July or early August to conduct a self-evaluation of the prior year just ending and then develop Board goals for the coming year. After meeting with Rick Schultz, we are examining the possibility of extending the August 19 Board meeting to include the evaluation and goal setting. We may consider starting the regular meeting at 6:00 pm. Sue Kulseth will contact Board members regarding the possible 6:00 pm start.

5. **Policy Committee Meeting Planned** – The Policy Committee will meet on Monday, August 5, beginning at 5:30 pm in the Board Room.
