

District Status Report

25 September

2020-2021 Report #13

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

Dale

Our Mission

**Empowering students with
knowledge and skills to succeed.**

Our Vision

**To be the school district of choice, inspiring
excellence in academics, arts, and activities.**

Information – Communication – Correspondence

1. News From Around the State and Beyond

[Test-optional admissions: New standard for colleges?](#)

[Survey: Kids using social media more amid coronavirus](#)

2. **MSHSL Fall Activity Update** –Activities Director Dan Stork continues to work to get procedures in place for fall activities next week. There is specific safety protocol to follow that has been provided by the MSHSL (attached to this same email). In order to assist families during this unusual and unplanned season, I have authorized reinstating the sports shuttle for after practice until further notice. I realize this was a budget reduction but we feel it is important that we do what we can for families at this time. We knew it was going to be an inconvenience for some families when the decision was made last spring to include it as part of the budget reduction strategy; however, the added hardship of many families are experiencing right now, I believe it is the right thing to do. It will likely return to the reduction strategies in the future dependent on revenue and other expenditure priorities.
