3. Recommendation to Extend Secondary School Distance Learning Model – The Board will see in the Board Packet for Monday night a recommendation to extend the Secondary School *distance learning* period through Friday, December 4, with a tentative return date of Monday, December 7. This recommendation is made based on the following:

- County case rates continue to trend upward
- County positivity rates continue to trend upward
- District continues to experience positive cases and quarantines with majority in Secondary School
- Public health officials cautioning schools to prepare for potential increase in virus spread following Thanksgiving holiday

4. Facilities with Cases and Exposures – This week, the Secondary School was included on the “Facilities with Cases & Exposures” list that you can find on the [MDH's website](#) (at the bottom of the page under "Facilities with Cases & Exposures"). School buildings with five or more confirmed COVID-19 cases are identified. School buildings' names will come off the identified list if they have no new confirmed cases after 28 days, which is two incubation cycles.

8. **New Board Member Orientation** – I will be meeting with Terri Engel and Loren Schoenrock for their first orientation meeting on Wednesday, November 18, starting at 5:30 pm in the Secondary School Media Center. Mrs. Engel and Mr. Schoenrock are also registered for both Phase I and II trainings with MSBA in December. Both trainings are virtual.
9. **2021 MSBA Leadership Conference** – The 2021 MSBA Leadership Conference will be held virtually this year on three different Thursday mornings. Please contact Sue Kulseth to let her know to register you. See the communication below from MSBA

The **2021 MSBA Leadership Conference** will be presented to you in a **virtual format**.

Save the dates on your calendar for these Thursday mornings — **January 14, January 21, and January 28, 2021**.

As a membership benefit, the Leadership Conference is offered at no cost to your district, **but registration is necessary and will be opening soon**.

MSBA gathered your feedback from a membership survey in August – and your message was loud and clear. While you would like to attend the MSBA Leadership Conference in-person, due to a variety of health and safety reasons, more than half of you do not feel an in-person conference is a viable option in January 2021.

You also shared that you are saving the nights and weekends for your family and away from technology. The preferred date and time for attending the conference virtually is Thursday mornings.

The conference will include a number of top-notch workshops, roundtable sessions, and much more. Some sessions will be available via recording at a later time. Watch the [MSBA website](#) for more details.

This year’s conference will feature two keynote speakers: **Phyllis Braxton-Frierson** and **Dr. Phil Gore**.

- **Braxton-Frierson** is the CEO and Founder of PINK Consulting, LLC, and has worked in the Diversity, Equity, and Inclusion (DEI) field for nearly 25 years.
- **Gore** is in his sixth year as Division Director for Board Development Services with the Texas Association of School Boards and is a nationally recognized researcher on school governance.

Though it will not be the same as seeing you all in person at the Minneapolis Convention Center, the MSBA staff, the MSBA Board of Directors, and I look forward to interacting with you virtually.

Thank you for your leadership and your service – and for the great work you’ve done during this incredibly critical and challenging time.
