2020-2021 Report #33

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

2. **Superintendent Search Process Update** –The March 1 special meeting will begin at 5:30 pm. We are not planning on dinner, but can change plans if the Board would prefer to have a meal. Board members can let Dale or Rick know.

Based on the Board’s guidance given to Mr. Remme Tuesday night, the Board’s day on March 4 will begin at 10:45 am. Board members are encouraged to arrive at the Elementary School Media Center no later than 10:30 am to allow time to prepare so that your inservice promptly begins at 10:45 am. At this time, Board members should bring their laptop as we plan for each of you to have your camera on for the viewing public as well as those candidates who might be remote. We are planning to use Zoom and not Google Meet, but still working on it. You will keep your speakers and mic off, but camera on. More details will be shared with you in the coming days and also at the March 1 meeting.

Sue Kulseth shared that most of you have scheduled times to review applicant files on February 24 or 25.

Please contact Rick Schultz or the SCSC consultants with questions.
