2020-2021 Report #39

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

Information – Communication – Correspondence

1. News From Around the State and Beyond

[Can summer school help recover learning loss?](#)

[Pandemic drives down enrollment in teaching programs](#)

2. **Elementary Principal Search Update** – As of March 31, we had received 18 applications submitted and have conducted nine interviews. Michael Meihak and I are in the process of selecting candidates to interview with our stakeholder teams of staff and parents on April 7. If the April 7 interviews are successful, Michael and I plan to interview finalists the week of April 12 and have a recommendation to the Board at the April 19 School Board meeting.
3. **Prom 2021** – At this time, an outdoor Grand March will be held on Saturday, May 8, at Harmony Park. The School District plans to partner with the Prom Committee to sponsor the Grand March. However, the District will not be sponsoring, supervising or participating in the remainder of the Prom activities including the bus ride to Stillwater, dinner and dancing on the river boat, and attendance at Grand Slam Sports in Burnsville. The District is unable to ensure that all required health and safety measures will be enforced while traveling and at the indoor venues. Call with questions.
