

STUDENT OF THE MONTH

Devin Buendorf

Congratulations to Devin for being selected Student of the Month from the Band Department. Mr. Otstott says that Devin is a strong leader in Band and a great asset to the band program. His leadership as a drumline captain and senior this year has been extremely helpful, especially this summer. Devin is always reliable, works hard and has an extremely positive attitude.

Devin lives in New Richland with his parents, Chad and Kari, and his little sister Kia. He has been a Panther. Some of his best memories here are hanging out with friends, being active in sports and going to State tournaments.

Devin has been busy in many activities and achievements at NRHEG. He is a 3-sport athlete, participating in football, basketball and baseball throughout his high school career. He is a member of T.E.C. and with the secondary school yearbook. He also participated in "Celebrate Me Week". And, of course, he is an active member of the NRHEG band!

Devin works on the family farm most of the time. He drives tractors, cleans and fixes machinery and helps with the pig chores.

After graduation Devin will be attending Iowa State University or SDSU. He will be pursuing a career in Ag Business and maybe a minor in Adapted Physical Education and Health.

When asked to describe himself, Devin says that he loves basketball, baseball, playing drums, his dog Tubby and his family. He also loves BBQ ribs, cooking, working at summer camps, hanging with friends and going to the U of M Gophers football and basketball games.

Something that might surprise you about Devin is he likes to travel and plans to live somewhere warm when he is older.

His words of advice to the under-classmen are: Get involved with whatever you can and enjoy high school while you are here. Once it's over it's over for good!
