Empowering students with knowledge and skills to succeed.

[Our Vision](#)

To be the school district of choice, inspiring excellence in academics, arts, and activities.

Elementary Teacher Kindergarten-Grade 5

Position Type:	Elementary Teacher-STEAM Teaching Position
Date Posted:	April 20, 2021
Location:	NRHEG Elementary School
FTE:	1.0
Date Available:	2021-2022 School Year
Closing Date:	Open Until Filled

NRHEG Elementary School has a desire to provide our students with an enriching and focused learning environment in science, technology, engineering, and math. Our goal is to emphasize the use of technology and STEAM learning for our students and to maximize the individual potential to ensure students reach academic and career success. We will provide a high-quality academic environment in a 21st-century school setting that creates and improves student learning, works to close the achievement gap, and partners directly with students and their families. To ensure success, candidates must have strong interpersonal relationship skills and the ability to develop effective and positive working relationships with students, staff, administration, parents, and the community.

Qualifications

- Must hold appropriate Minnesota teaching license in K-6 Education.
- Demonstrates the ability to operate a computer, software, and necessary classroom technology.
- Prefer experience with PBIS.
- Must have strong classroom management skills with the ability to maintain a positive learning environment.
- STEM/STEAM Certification Preferred.
- Dedication to building positive student, staff, and parent relationships.
- Bachelor's degree in Elementary Education and/or a STEM/STEAM field
- Excellent written and verbal communication skills

Job Duties and Responsibilities

- Delivers STEAM-oriented instruction through project-based learning methods
- Attends professional development and training related to STEAM programs and methodologies, staying current with research
- Employs a variety of instructional techniques, instructional media, and performance assessments, which guide the learning process toward curriculum goals and student learning
- Uses technology to promote learning, creativity, and collaboration
- Works directly with school administrators, STEAM Steering Committee, and staff in the development, implementation, and evaluation of STEAM initiatives and curriculum
- Initiates new programs that support the STEAM vision
- Shares STEAM events and activities through school social media outlets

Interested candidates should submit a letter of interest, resume, transcripts/credentials, three references, and a copy of their current Minnesota teaching licensure along with the application, which can be found at
