

# NRHEG PUBLIC SCHOOL LEARNING MODEL UPDATE AUGUST 2021

## **FULL IN-PERSON LEARNING**

Students are allowed to return to the building with a 3-foot social distancing requirement in place whenever possible.

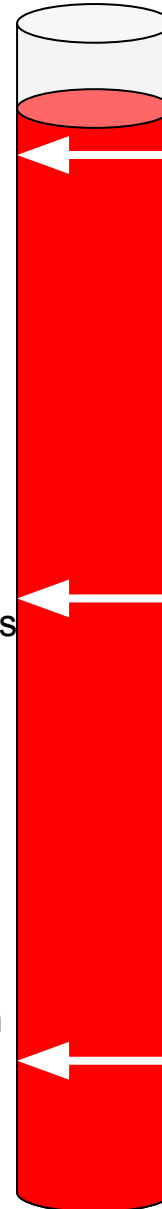

## **HYBRID LEARNING**

Students are allowed to return to the building with required safety measures in place as directed by state and federal health agencies.

## **FULL DISTANCE LEARNING**

Students are required to participate in distance learning. Limited in-building learning is allowed.

- Students will be engaged in in-person learning and socially distanced by 3 feet whenever possible.
- Face masks or face shields are recommended for all students and staff members.
- Face masks are required for all students and staff on busses and in school vehicles.
- Health and hygiene practices will be posted and put into place for staff and students.
- Visitors to the building will be monitored. Health survey will be required upon entering the building.
- School extra-curricular and co-curricular activities will be held with possible restrictions in place as directed by MDE or MDH.

**PROUD to be a PANTHER!**
