

STAY SAFE MN

Test Every Two Weeks

02/23/2021

Mark your calendars to get tested for COVID-19 every 2 weeks

- All members of your family should get tested if you have school-age children returning to in-person learning, sports, or after-school activities.
- You can visit a community testing site, order an at-home test kit, or get tested through your health care provider. Learn more at www.mn.gov/COVID-19.
