

Distance Learning Schedule

In this packet you will find many different activities, and below you will see a schedule of what days you should do each activity. If you are able to send me a photo of the work each day (through email or the Remind app), that would be great. If not, you can keep the completed work in the folder and I will look at it all when your child comes back to school.

I will also send out the Google Meet link for our 1:00 group time that will take place Monday-Thursday. Thank you for being flexible during this time! Let me know if you have any other questions! -Ms. Alexis

Mon. 7th- Polar bear shape coloring and scissors practice page

Tue. 8th- Getting Ready in Winter page- Have your child listen to Froggy gets Dressed on Youtube-<https://www.youtube.com/watch?v=UveFBZ6Nn-c> then cut out and put the clothing in order of how you put them on

Wed. 9th- Letter H- Do the alphabet dab & dot page, and the letter H tracing page

Th. 10th- Number Writing and Recognition- trace the number and then have your child try writing it on their own, they can also color in the pictures

Mon. 14th- Cutting skills practice- color and cut out the gingerbread man and the snowman

Tue. 15th- Letter I- color the I is for ice cream page, and do the letter I tracing page

Wed. 16th- Color by Number Gingerbread Man

Th. 17th- Do the number tracing page, and the winter coloring page

Mon. 21st- Finish the pattern- have your child cut out the objects on the right side of the paper then glue them on to complete the pattern

Tue. 22nd- Build your own Snowman- cut out the pieces and glue them together on the blue construction paper to make a snowman, you can also add color

Wed. 23rd- Build your own penguin- cut out the pieces and glue them together on the light blue construction paper to make a penguin, you can also add color

Have your child write their first name on all their work to continue practicing their name!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
