The High School Ambassadors will be selling hat passes next week for \$1 per day to support the Relay for Life, which is part of the American Cancer Society. Students and staff can buy their passes by the office before school on Tuesday and during middle school and high school lunches on Tuesday, Wednesday, and Thursday or until the passes are gone. Students and staff can buy their passes one day at a time or for multiple days at once. Buy your passes sooner rather than later because supply is limited. **Donations will also be accepted for the Relay for Life.**

Quad Cities Baseball Association sign-up sheets for this summer are available from Mr. Domeier. If you are in grades 6-9 and want to play summer baseball, please make sure you get one. They are due back to Mr. Domeier no later than March 8.

**Registration for spring sports is now open. If you plan to participate in a sport this spring, you must be registered, have a current physical on file and pay your fee. Stop by the office if you have any questions.**

Registration for Spring League Clay Target team is now open. All students in grades 6-12 are eligible to participate if you have a valid MN Firearm Certificate. If you do not but still want to participate then talk to Coach Sorum for options. Currently, athletes have the opportunity to sell raffle tickets to get their team fees paid for both spring and fall but this option ends soon. If you are

interested or want more information, then please talk to Coach Sorum or have him place your parents on the team email list.

The high school yearbook staff will continue to meet every **Thursday during lunch**. Please bring your chromebooks.

The Panther Den is a time and place where students can get extra help with homework or just a quiet place to study. It will be held every **Tuesday and Thursday from 3:30 – 5 p.m.** in the lower commons.

FCA (Fellowship of Christian Athletes) will be meeting on **Thursdays at 8:00 a.m.** in Mr. Guildner's room. Students in grades 8-12 are welcome to come. If you have any questions, please contact Hallie Schultz or Kia Buendorf.

**Panther Clubs** is a way to find fellow students with similar interests and get together to share those interests. Clubs can be as simple as a walking club or a music club to something crafty like knitting or photography to competitive activities like gaming or archery. The idea is that clubs are student-driven. If you and at least three other students are interested in forming a club and bringing your interests to others, talk to Mr. Sorum about how to get your group going.
