**What motivates you to do your best?** I am a very competitive person and my teammates and coaches are always pushing me to work hard and do the best that I can

**Who is your role model and why?** My role model is my dad because he works very hard and always supports me and pushes me to be the best that I can in everything that I do.

**What advice would you give to other students especially students in elementary and middle school?** Try new things, get involved with things in your community. Work as hard as you can while you can. School is a very small portion of our lives so do as many activities as you can while you have the opportunities to do so. Don't be afraid to fail, failing means that you're at least trying.

**What makes you a good teammate for the sport/activity that you are involved in?** I always stay positive and encouraging to my teammates. All that matters to me is that we get a team win or do the best that we can.
