

Taylor Schmidt

Activity: Volleyball, Softball, Basketball, FCA, Student Council, FCCLA, Yearbook, Student Ambassadors, NHS, DECA, Knowledge Bowl, ProStart

Grade: Senior

What do you like most about participating in the activities that you are involved in? I love being competitive and most of the activities I do involve being competitive. I also love meeting and interacting with new people.

What motivates you to do your best? Just looking ahead to my future, I want to set myself up to be the best I can be!

Who is your role model and why? My parents, they have always encouraged me to do my best and to get involved. And they have given me so many opportunities that wouldn't have been possible without all their help!

What advice would you give to other students especially students in elementary and middle school? Get involved! I have had so much fun meeting new people and doing things that I wouldn't typically do. I would also say to try everything and not give up when it gets hard, it is so much more rewarding to complete something that was challenging then super easy.

What makes you a good teammate? I think about the team before myself. I know that we will be able to accomplish more as a team than I would be able to by myself. I also try to always be encouraging to others and show leadership throughout the activities.
