The members of the senior class had their class trip to Mystery Cave on Monday, May 6. The students enjoyed touring the cave and having lunch together in a Spring Valley park.

Senior "Service" day was Wednesday, May 15. Seniors interacted with elementary students, playing games and making crafts, and then with residents at Whispering Oaks and the New Richland Care Center.

The senior class's Baccalaureate ceremony was Sunday, May 20 at 7 p.m. Typically, about 3/4 of the class members take part. Officiant was Pastor Brian Gegel of LeSueur River and Vista Lutheran churches. A practice on Friday, May 17, not only prepared them for Sunday, but also laid some important groundwork for June 2.

No Bully Program Update:

What: Shred Hate Secondary School Assembly

When: 9:30 am

Where: NRHEG Secondary - High School Gym

NRHEG Secondary School will host X Games commentator Brandon Graham on Tuesday, May 7, to visit with students in support of Shred Hate, ESPN, X Games and MLB's bullying prevention program that aims to reduce bullying rates in Minnesota and schools across the country. The visit from Graham is a celebration of the training students have received from nonprofit partner No Bully.

Shred Hate is a bullying prevention program that is stopping bullying and encouraging kids to choose kindness. As part of the program, No Bully, a nonprofit that trains schools how to activate student compassion to eradicate bullying and cyberbullying, works directly with local school districts and cooperating schools through its innovative evidence-based training.

ESPN launched Shred Hate in January 2017 at X Games Aspen, Colo. and expanded the program into Minnesota and six other markets. Since that time, 14 Minnesota schools have gone through the Shred Hate program, with 360 teachers and staff trained in bullying prevention, impacting more than 7,600 students. More than 88,000 students have been impacted with Shred Hate resources nationwide.
