M	45	38	41	23	38	43	25	253
Totals	82	73	79	60	70	80	54	498

Projected Enrollment for 2017-2018 as of 2-15-17 529

Girls' Basketball: Congratulations to our Girls' Basketball Team for being State Qualifiers, Section and Sub-Section Champions. They beat a very good Norwood-Young America that was in the state tournament last year.

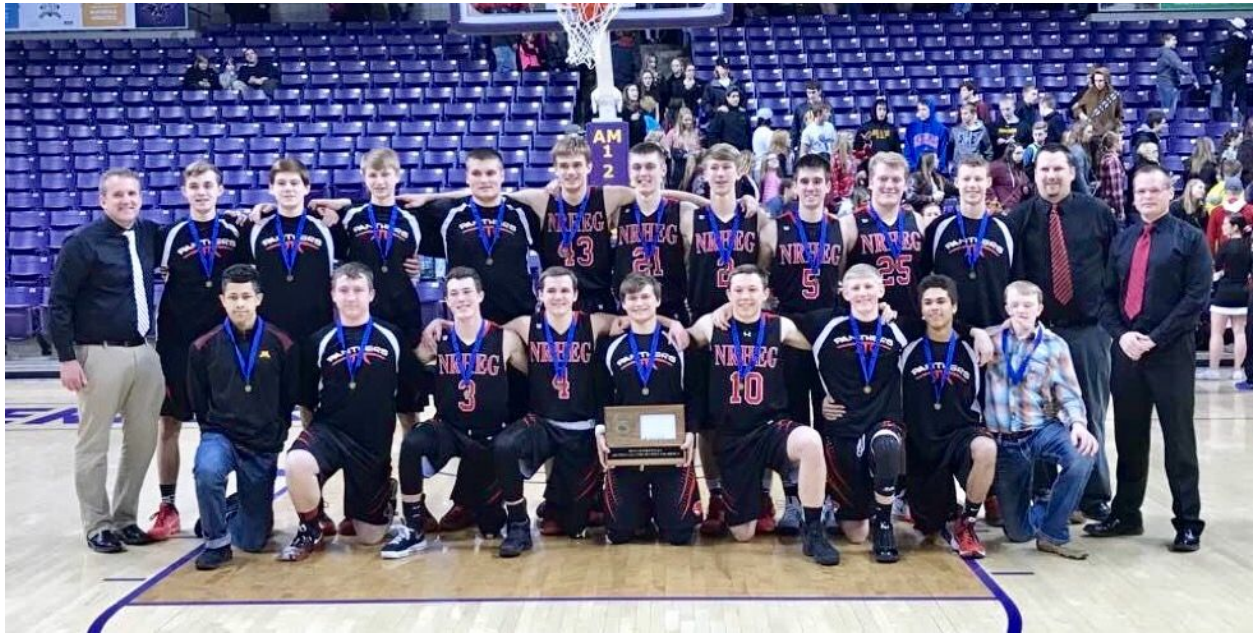

Dale N. Carlson, Superintendent

David A. Bunn, High School Principal

Douglas A. Anderson, Elementary Principal

Boys' Basketball: Congratulations to the Boys' Basketball Team as they advanced to the Section Finals and were Sub-Section Champions. They beat a formidable opponent, Fairmont, in the Sub-Section finals.

Alternative Learning Program Update: The Alternative Learning Committee had a video meeting with MDE. The meeting was very positive and MDE is interested in having us continue to explore the option. Our next step is to create and/or collect all the necessary information to complete an application with MDE.

From Mrs. Fredrickson: "Congratulations to the NRHEG Concert Band and Concert Choir on their performances at USC Large Group Ensemble on Monday, March 6. They earned a mix of superior and excellent ratings, which are the two highest.

Also, to the 5-12 Bands and Concert Choir for their Spring Concert presentations for Music in Our Schools Month. The band's guest soloist, Mr. Aaron Wright, was a highlight of the performances.

Thanks,
Jen, Jacob & Frank"

From Mrs. Bently: "The speech team has 10 members and has been competing at invitational tournaments regularly through February and March. Our standout success is Benjamin Lewer, who has persistently taken the first-, second-, or third-place honors in his category--meaning that he has advanced through preliminary rounds to a final, and then placed strongly against the other finalists. Other participants have received strong rankings in preliminary rounds, creating personal success stories such as overcoming their fears and strengthening their

own skills.

A sort of informal "home stretch" for the seniors begins with April, when they elect their class speakers, choose their class escorts, and begin earnestly planning their "Senior Service Day" visits to the elementary school and area senior facilities, their class trip (if any), and their last-day festivities.

The readers' theater performance for "Green Eggs and Ham" day was Horton Hatches the Egg, coupled with the book of tongue twisters Oh Say Can You Say? Performers Maci Surat, Nora Retallick, Chancellor Olson, Jager Beck, Elizabeth Karl and Madison DenHerder practiced for three weeks after school to prepare, and gave a great day's worth of performances for all elementary grades in Ellendale, and then at Whispering Oaks and the New Richland Care Center."

From Mr. Domeier: "Our first attempt at Boxtops for Education collection resulted in \$92 that we'll put toward student opportunities. We hope to continue to spread the word that we're doing this and keep raising more."

From Mr. Stoesz: "MCA testing season has started with the 7th and 8th graders taking their reading tests this week Tuesday and Thursday."

From Mr. Sorum: "Registration for the Clay Target team has gone well again. We will have 62 student athletes on the team this spring."

Geneva Cleanup: Mr. Stork had the great idea to try and provide some assistance to the citizens of Geneva after they endured storm/tornado damage. We had a very short time organize the help, but got about 30 or so athletes currently not in season to assist. The kids worked extremely hard and represented our school well. I am so proud of our students! KAAL was there and provided us with some positive media. Here is a link to the news story, a link to pictures and a Thank You card from a family.

A big thank you to kids & staff
for cleaning up our 97 year
old mother's yard! It has
never looked so good. She has
always been a gardener &
lover of her lawn!! It meant
so much! We are so proud of
our school system as it is
top, but mostly proud of
students and staff!!
Thank you - greatly greatly
appreciated! Mark & Sharen Sorenson
