We held the Middle school end of the year party (May 19th) from 6-8:30. Thank you so much for Ms. McNeil in planning such a successful event.

Graduation was held on June 4th at 2:00 p.m. Student selected speakers were Maci Surat, Tyler Raimann, Rachel Collins. Overall, graduation was a beautiful event to celebrate the milestone achievements of our Class of 2017.

Again this year, we had another successful "Reality Day" in which juniors became exposed to the realities of life. Thank you for all the community volunteers and to Mr. Paula and Mr. Filla for organizing this wonderful event that was linked to our strategic plan.

We had a great last day of school. We had an abbreviated schedule that allowed all classes to take place. We had a short awards ceremony that recognized the achievements of NRHEG this year. We also recognized our retirees: Mrs. Flowers, Mrs. Dobberstein, Mrs. Bayerkohler, Mrs. Holmes, and Mr. Ellerbusch. It was hard to say goodbye to such wonderful staff members that have permanently left a mark on NRHEG schools.

### 2017 Rankings

<https://www.usnews.com/education/best-high-schools/minnesota/districts/nrheg-school-district/nrheg-secondary-10508>

Nrheg Secondary is recognized in the National Rankings and earned a bronze medal. Schools are ranked based on their performance on state-required tests and how well they prepare students for college.

*Dale N. Carlson, Superintendent*

*David A. Bunn, High School Principal*

*Douglas A. Anderson, Elementary Principal*

We had some of our new staff come to some of the end of the year in-service opportunities. It was great to see them interact with our staff and we are so very excited to have them as part of our NRHEG team.

Our clock system and some of our clocks have been replaced. The new system will run our old wired system and our new wireless clocks. As the wired clocks wear out, we will replace with wireless clocks. We also added three strobe lights that we would activate during a lockdown in the Band and Choir rooms along with the Shop classroom as they are areas in which our public address system may not be heard in the event there is a need for a lockdown.
