4. 1-16-18 School Board Meeting Follow-up – School Play – Students representing the Theater Department spoke during Public Comments about their desire to put on a school play this spring. As the student mentioned, having a play this year does not follow the planned schedule. As a result, a budget had not been submitted for this year. Principal Bunn is working with the advisor to determine planned expenditures involved with the play so that a decision for moving forward with a school play, including fundraising, can be made. The Principal has final decisions regarding the scheduling of school activities including school plays.
