*2018-2019 Report #21*

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

## Information – Communication -- Correspondence

- 1. 2019 MSBA Leadership Conference – [SAVE THE DATE!](#)** – Be sure to place on your calendars the 2019 MSBA Leadership Conference to be held **January 17-18, 2019**, at the Minneapolis Convention Center. This is a wonderful opportunity for the Board to join board members from across the state to learn and network together. We have made room reservations for Wednesday and Thursday night and will have until December 14 to make changes without penalty. I will need to know Board member plans regarding number of nights (1 or 2) so that we can make necessary changes. Sue Kulseth will follow-up with each of you in the coming days/weeks. I plan to attend the MSBA Phase II training that starts on Wednesday, January 16. At this time, both newly elected Board members are planning to attend the Phase II training.
- 2. April 25, 2019 School Board Meeting Date Change** – At the January 7 Board Organizational Meeting, the Board will set the regular School Board meeting dates for 2019. The Board has already taken action to move the January and February meetings to the Tuesdays following the third Mondays due to national holidays. In addition, I will be recommending the Board moves its April 15, 2019, meeting to Tuesday, April 16 due to Secondary School Parent-Teacher Conferences also scheduled on April 15. This was an oversight in the scheduling of the 2018-2019 calendar, but I feel it would be less disruptive to change the Board meeting date than the planned date for parent-teacher conferences. I'm sharing this with you now so that you can put it on your calendar as a tentative meeting date.
- 3. District Website Change!** – If you haven't had the opportunity to do so, please take a look at our website's new look. Thank you to Sue Kulseth for being the point person on this project.
- 4. Facility Planning Update** – You can look forward to receiving on Monday or Tuesday a draft of the referendum resolution as well as the Review and Comment document that needs to be approved by the Board and submitted to the Minnesota Department of Education. This will give you a week to review both and contact me for questions so that you are prepared to take action at the December 17 School Board meeting.
