

# *District Status Report*

*07 June 2019*

*2018-2019 Report #45*

The purpose for the weekly Status Report is to communicate to members of the School Board important and meaningful information relevant to the business of the school district. The Report is available to the public on the school district's website. Please contact me at 417-2602 if you have any questions regarding information contained in the Status Report. I would also appreciate hearing from you on ways I can improve the Report and make it more meaningful and informative for you.

Dale

## **Our Mission**

**Empowering students with  
knowledge and skills to succeed.**

## **Our Vision**

**To be the school district of choice, inspiring  
excellence in academics, arts, and activities.**

## Information – Communication -- Correspondence

### 1. News From Around the State and Beyond

Strategies schools can use to become more trauma-informed  
District adopts independent learning days  
Study shows benefits of universal school meals  
3 questions to ask when seeking purposeful work  
Discipline: How young is too young to be suspended from school?  
Funding: Despite funding, achievement gap persists

2. **Design and Build Update** – The Building and Grounds Committee has set Construction Manager interviews for Monday, June 10, and will have a recommendation for Board consideration ready for the June 17 Board meeting. The Committee will be interviewing three companies. Please call with questions!
3. **Quarterly Check ins** – I look forward to checking in with each of you next week. Please contact Sue Kulseth if you have not yet set a time to meet.
4. **Summer Board Work Sessions** – As shared at the Board meeting, I encourage the Board to schedule a Budget work session this summer. We have targeted the weeks of July 8 or July 15 as potential times to hold a work session. A doodle survey was sent to Board members for you to respond to.

The Board also meets annually in July/August to conduct a self-evaluation of the Board’s work over the past year and then sets goals for the coming year. That Board has also set the Superintendent’s work goals for the upcoming school year at this time as well. If not in July, we will need to set a work session in early August for the purpose of the Board’s self-evaluation and goal setting.

5. **Waseca County Trauma in Schools Forum Planning**– There is interest among the three school districts in Waseca County (NRHEG, Waseca, J-W-P) along with South Central Human Services to facilitate a county wide forum on the growing challenge of servicing students who are experiencing increased mental health and behavioral challenges at school, home, and in the community. New Richland Lions President, Dan Schmidt, and I will be attending a planning meeting on Tuesday, June 18, in Waseca, to begin discussing and planning for the forum. A first step is to engage community leaders in the conversation and planning as it needs to be more than the school districts facilitating this. More information to come.
