Voluntary Coverage: Student Accident Insurance

The NRHEG School District is not responsible for medical expenses caused by injury incurred by your child at school. Therefore, the NRHEG Public School will offer an opportunity for insurance coverage to the parents on an optional basis for the 2018-2019 school year.

Optional Student Accident Insurance forms will be sent home with students on the first day of classes. In order for your child to participate in the program, you will need to complete and return the enrollment form and a check for payment.

It is the responsibility of the parents to either sign the waiver indicating they have adequate insurance coverage for their child/children, or purchase the student accident insurance. If you choose to not purchase the insurance and have adequate coverage, please sign and return the waiver attached at the bottom of this letter indicating that you have adequate insurance coverage.

Thank you,

Dale N. Carlson, Ph.D.
Superintendent, NRHEG Public Schools #2168
