

Preschool Orientation

Who: Preschoolers and their parents

When: Wednesday, September 5th or Thursday September 6th

Where: New Richland or Ellendale Preschool rooms.

This open house is a wonderful time for both you and your child to come and see their room, get acquainted with others, get information, and most of all, have fun! We're looking forward to meeting all of you!

Our open house will run very similar to the Elementary Day One. We will have eight one hour sessions that will begin with a general informational meeting lasting approximately 15 minutes. After that we will need to meet with parents individually to go over paperwork and any other necessary information. While you wait for your turn to meet with us, there will be activities for you to do with your child. This will give you and your child an opportunity to explore our room and make something to take home.

The eight sessions will be: We have circled both a daytime session and an evening session for you to choose from. Please try to come at one of the times we have designated for you to avoid overcrowding of sessions. Of course, if you cannot make it at the designated time, please come to a session that will work for you.

(more information on the back)

Please complete and bring the enclosed forms with you to the open house. The emergency information and immunization forms need to be completed and turned in **BEFORE** your child can begin classes. The health form needs to be completed by your physician and needs to be turned in within 30 days (approximately October 11). This is something that you can take to your doctor and have them send it to us at the school or return it to you and you can then bring it to us, whatever works best for you. If you have completed the immunization or health form in previous years, you do not have to do it again. Thank you in advance for your help with this necessary paperwork.

Classes will begin Monday, September 10th or Tuesday, September 11th depending upon which day your child attends.
