

## A few things to bring to school:

Each child should bring a BACKPACK to school. We've found that it's very important that your child brings a backpack to school each day. It can be very frustrating for children to try to carry multiple things (projects, papers, folders, etc.) without the help of a backpack. From past experience, it also helps for them to have a full sized backpack, not the tiny ones that are difficult to fit things in.

If your child still has bathroom accidents, it's a good idea to bring an EXTRA SET OF CLOTHES. You can do it one of two ways: bring a labeled bag with the extra clothes in it for us to keep at school or you can be sure to always keep an extra set of clothes in their backpack that they bring to school each day.

We will also have a sharing board with items that you can bring to share with the class. This will be available at the open house and for the first few weeks of school.

One more thing... We would like everyone to bring a picture of your child to the open house! We would like to do an activity at the open house using a picture of each child to help us get acquainted! The picture will be returned later.
