# i AM IN PRESCHOOL

I am not built to  
sit still,  
keep my hands to myself,  
take turns,  
be patient,  
stand in line,  
or keep quiet  
all of the time.

I need:  
motion,  
novelty,  
adventure,  
and to

engage the world with my whole body.

## LET ME PLAY.

(Trust me, I'm learning!)

Welcome to the NRHEG  
Panther Preschool!  
We look forward to sharing  
our world with you and your  
child to insure a happy and  
exciting experience.

## Class Options

We are a licensed preschool for ages 3-5. Our preschool holds classes in both the Ellendale and New Richland Buildings. The schedule is as follows:

### 3 Year Old

(Children must be 3 on or before 9/1/2020)

#### New Richland

**Session 1 (Orange Group):**

Mondays & Thursdays, 8:00-11:00am

**Optional 3<sup>rd</sup> Day:** Wednesdays, 8:00-11:00am

#### Ellendale

**Session 2 (Purple Group):**

Tuesday & Friday, 8:00-11:00am

**Optional 3<sup>rd</sup> Day:** Wednesday 8:00-11:00am

### 4/5 Year Old

(Children must be 4 on or before 9/1/2020)

#### New Richland

**Session 3 (Red Group):**

Tuesday & Friday, 8:00-11:00am

**Session 4 (Green Group):**

Tuesday & Thursday, 12:30-3:30pm

**Optional 3<sup>rd</sup> Day:** Wednesdays, 12:30-3:30pm

**Optional 4<sup>th</sup> Day:** Monday, 12:30-3:30pm

#### Ellendale

**Session 5 (Yellow Group):**

Monday & Thursday, 8:00-11:00am

**Session 6 (Blue Group):**

Monday & Thursday, 12:30-3:30pm

**Optional 3<sup>rd</sup> Day:** Wednesdays, 12:30-3:30pm

**Optional 4<sup>th</sup> Day:** Tuesday, 12:30-3:30pm

**Two-day session:** \$85.00 per month, 2 days a week

**Optional 3<sup>rd</sup> Day:** \$120.00 per month, 3 days a week

**Optional 4<sup>th</sup> Day:** \$150.00 per month, 4 days per week

## Family Engagement

### Participation Opportunities

1. Early Childhood Screening – make sure this is done within 90 days of enrollment. It is mandated before Kindergarten enrollment, but should be done as close to 3 1/2 years old as possible. If you receive an Early Learning Scholarship it must be done within 60 days of enrollment or your scholarship will be revoked.
2. Parent-teacher conferences – There will be 2 conferences each year, in the Fall & Spring.
3. Due to the COVID-19 restrictions in place, classroom volunteers and special events have been temporarily suspended until further notice.
4. School Readiness – Participate in parent/child home activities such as reading logs, activity calendars, etc.
5. Free Parent/Child Special Events – have been temporarily put on hold due to the COVID-19 Pandemic – as soon as they are made available again, we will let you know! These events are planned with you in mind. We encourage you to attend them all. Notification of these events will be sent home with your child. Examples: Early Childhood Family Education classes, daddy/daughter dance, cookies with Santa, Grandparents Night, Pizza with Pops, Daddy/Daughter Dance and more!
6. Snack and Supplies – as teacher requests.
7. Parent Advisory Council – We need you! We have 4 meetings per year and you can help as much or little as you want to plan events, fundraising, and give program input.

### ACTIVITIES AT SCHOOL:

#### **Art Activities:**

School is a place to have fun and get messy! Art activities encourage children to use their imagination as well as to problem solve. Your child will be exposed to a variety of art materials such as paints, glue, play-dough, shaving cream, rice, and much more! We encourage children to wear play clothes to school.

#### **Music and Movement:**

Children learn in many ways. Preschoolers love to use their bodies and voices. Each class session will include a variety of song, rhyme, and movement activities that will introduce concepts of math, science, and language for the children. We encourage children to wear tennis shoes in order to participate in all activities. We will also visit the motor room, SMART room, and/or get outside daily.

## **Literacy:**

Books will be an integral part of your child's day at school. Many stories will be read, discussed, and included in daily learning activities. We also participate in Minnesota Reading Corp to help preschoolers meet literacy benchmarks for Kindergarten in picture naming, letter naming, rhyming, alliteration, and letter sounds.

## **Pre-Math and Science Experiences:**

Children will learn about shapes, colors, and patterning. They will perform many "experiments" to discover interesting facts about the world around them.

## **Letter Concepts:**

Each week children will be introduced to a new letter. They will learn not only what each letter looks like, but also how it sounds and even feels. This exposure to the alphabet is up to plant the seed in the minds of the children that letters have meaning, that they make up words, and that words make up stories and so on.

## **Number Concepts**

Children will learn the basics of counting through a variety of math activities including games, songs, and table-top activities with manipulatives.

## **Take Home Activities:**

Parents can expand upon concepts introduced at school with take-home activities. These will provide parents another excellent opportunity to be involved in their child's learning.

## **Child Assessment Procedures:**

Our program uses the POCET(3 & 4 year old classes) and NRHEG Kindergarten Readiness Assessments (4 year old class). These assessment tools help us to identify and track skills of preschool students in the areas of personal and social development, physical development, and language and literacy emergence. A portfolio for each child is assembled and used to share with parents at bi-annual Parent/Teacher conferences.

# **WHILE YOUR CHILD IS IN SCHOOL....**

## **General Education Methods**

We are concerned about the child's emotional, social, physical, and intellectual growth. Children will learn how to deal with others and new situations. They will be offered many new experiences in which to learn and grow. We will provide multi-cultural and ethnic experiences that develop each child's family and community. We also have centers for learning. We encourage children to learn and develop at each one's individual rate while keeping in mind developmental milestones.

Some specific activities that we will offer are field trips, centers, numbers, colors, letters, weather, science, show and tell, projects, stories, music, outside play, and so much more!

## **Orientation/Preconference**

Due to COVID-19 we will be scheduling individual orientations with each preschool family (set up similar to conferences). Individual orientations will be on either Sept. 8, 9, or 10<sup>th</sup>. Each orientation will take approximately **30 minutes** (this will be the time to hand in your paperwork, fill out some additional paperwork, sign up for Early Childhood Screening, meet your child's teacher, check out the classroom,

pay the fee for September/October (or for the entire year and you get a discount), and get your questions answered). Orientations will either take place in New Richland or Ellendale depending on your child's preschool class location. You will be contacted the week of August 24<sup>th</sup> to set up your individual orientation.

### **Conferences**

We will have two conferences per year. These will help us to share how your child has progressed physically, emotionally, intellectually, and socially.

If you would like to talk with the teacher, please let us know. We are always available! If there are any concerns, we hope that these will be freely brought to us. Likewise, if there are any problems, we will contact you as soon as it arises.

### **In-Person Learning:**

This model will look very similar to a typical preschool class day (and also to the Hybrid Educational Delivery Model in order to reduce transition anxiety between the two models). Children and their teacher/para will create as much space between each other as possible, but will not be enforcing 6 feet of social distancing during class. This scenario will be implemented assuming state COVID-19 metrics continue to stabilize and/or improve. Children will be spaced further while at tables and on the carpet for circle time, centers will be spaced further apart and have 2-3 children at a time in each area, hands will be washed more frequently, tables/chairs sanitized after each use, toys cleaned after each class, children will use their own supplies from pencil box, class size will be limited to 12 children to allow for more space to spread out, and non-essential visitors will be limited in the classroom. Drinking fountains will be turned off so students will need a water bottle from home.

### **Hybrid Educational Delivery Model:**

This model will look very similar to the In-Person Learning Model in order to reduce transition anxieties between these two scenarios. Children and their teacher/para will need to maintain 6 feet of distance between each other, with the realization that this is not always possible so reminders will need to be given throughout class time. The classroom will be reorganized and extra furniture and hard to clean toys will be removed in order to accommodate the 6 feet of distance required. All children will be space 6 feet apart during circle time, while at tables, hands will be washed more frequently throughout class, desks/toys/tables cleaned several times throughout class times, children will use their own supplies from pencil box, class size will be limited to 12 children to allow for more space to spread out, and non-essential visitors will be limited in the classroom. Drinking fountains will be turned off so students will need a water bottle from home.

### **Distance Learning:**

There will be no school-based classes during this time. Your child will have the option to google-meet as a class once or twice per week for a half hour. Learning materials, activities, and crafts that your child would have typically done during a week of class will be given to you during this time (either sent home with your child or picked up from the school, as well as their pencil box sent home with crayons, glue, scissors, etc.) to work on at home with your child. In the event that Distance Learning would last more than 2 weeks and you would rather withdraw your child from preschool during this time you will be issued a refund if applicable. Once school resumes in hybrid or in-person learning your child's preschool class will resume and they will need to return back to school with their backpack, pencil box, and water bottle.

## **Flexible Learning Days:**

The first five days that school is cancelled (due to weather, etc.) will be considered flexible learning days. Parents will receive a packet to work on with their child for these days school is cancelled. We will have a bingo card that your child has to do five of and then send back to school within the next couple of days.

## **Labeling Belongings**

All personal belongings (coats, boots, hats, backpack, folders, etc.) that are brought to school should be labeled with the child's name.

## **Toileting**

All children are required to be toilet trained, however accidents do happen! This is why we ask that you bring an extra change of clothes for your child. During preschool if your child has a bathroom accident we will assist as much as possible to help your child get cleaned up and changed. Please make sure another set of clothes is dropped off with your child at preschool the following day.

For ease of toileting, please dress your child in clothing that your child can remove in order to attend to his/her own needs (e.g. Snaps, suspenders, jumpsuits, and belts may be difficult for your child)

## **Outdoors**

We will be going outside whenever the weather allows. Please dress children in proper clothing for the day.

## **Field Trips**

*Due to COVID-19 restrictions, Field Trips are suspended until further notice.*

## **Snack Time**

We will be having a snack each day. A snack list will be sent home with each child stating which months your child needs to bring a snack to share. Please bring snacks that are individually wrapped. Homemade treats may not be brought due to State Health Department directives. Snacks must be purchased and brought to the room in an unopened commercial package. Your child may bring a treat to share on his/her birthday or half-birthday if you would like to. Healthy snacks/treats are high encouraged.

Please do not send candy, gum, or soda with your child or any food item not meant to be shared with the class.

Parents should be sure to notify the office and staff of any allergies.

## **Show and Tell.**

Each day, we will send a 'sharing note' home with two children. Those children can bring an item (please limit to 3 items) to share or show their friends at school. We do ask that only those two children bring show and tell items on those days. We will rotate each child so that everyone will get opportunities to share. Please refrain from children bringing weapons or "weapon-like" toys for sharing, NRHEG does have a no weapon policy.

## **Backpack**

Each child needs to have a backpack, book bag, or other bag for bringing home papers and projects. Please also send a pencil box and child-safe scissors for your child to keep at school as well as a water bottle.

## **Medication**

If your child needs medication during school hours, please notify the office, and she will provide you with our school policy regarding medications and the administration of them. All attempts should be made to give meds before or after class times.

## **Communication**

It is very important that you check your child's bag every day.

Parent newsletters are sent home in your child's backpack at the beginning of each month. Newsletters contain important information about upcoming special events, non-school days and fun information about your child's learning at school and home. Please read it thoroughly.

## **Pets**

The NRHEG schools have a policy that states that pets will not be allowed in the building at any time. Photos of pets are encouraged!

## **Drop off/Pick up**

### **New Richland -**

**AM class:** Please screen your child at home for temperature and COVID-19 symptoms before bringing them to school. Temperature checks may need be taken at the door before your child is allowed to enter, along with a few COVID-19 screening questions if required. Please use the south east entrance (Door #2) for dropping off and picking up. The teacher/para will sign your child in. If you are late picking up or dropping off please use the main entrance door (#1E to be buzzed in through the District Office). Please remember to social distance during drop off and pick up (feel free to wait in your vehicle while other children/parents are entering/exiting the area)

**PM class:** Please screen your child at home for temperature and COVID-19 symptoms before bringing them to school. Temperature checks may need be taken at the door before your child is allowed to enter, along with a few COVID-19 screening questions if required. For the afternoon class, please drop off and pick up your child through the south entrance door #2. If you are late picking up or dropping off please use the main entrance door (#1E to be buzzed in through the District Office). Please remember to social distance during drop off and pick up (feel free to wait in your vehicle while other children/parents are entering/exiting the area)

### **Ellendale -**

**AM class:** Please screen your child at home for temperature and COVID-19 symptoms before bringing them to school. Temperature checks may need be taken at the door before your child is allowed to enter, along with a few COVID-19 screening questions if required. When dropping your child off, please go to the North entrance door (#1N) lobby area. For picking up at 11:00am please be ready for your child at the North entrance doors or in your vehicle. Please remember to social distance during drop off and pick up (feel free to wait in your car until the entryway has less activity for you to drop off or upon pickup and you see your child/teacher at the door).

**PM Class:** Please screen your child at home for temperature and COVID-19 symptoms before bringing them to school. Temperature checks may need be taken at the door before your child is allowed to enter, along with a few COVID-19 screening questions if required. When dropping your child off, please go to the North entrance door (#1N) lobby area. For picking up at 3:30pm please be ready for your child at the North entrance doors or in your vehicle. Please remember to social distance during drop off and pick up (feel free to wait in your car until the entryway has less activity for you to drop off or upon pickup you see your child/teacher at the door).

## Late Pick-Up Procedures

If a parent/guardian/adult is late picking up their child, the teacher will keep your child in their classroom until they are picked up. A phone call will be placed within 5-10 minutes after preschool is dismissed. Please plan accordingly so your children are always picked up on time. A fee may be applied to families that pick up late 3 or more times per school year.

## Health and Safety, COVID-19 Pandemic information

- Current immunization records are required for all children. MN Department of Health rules do not allow children to begin school without it on file.
- **COVID-19 symptoms:**
  - **Unproductive, dry cough**
  - Fever of 100.4 or higher
  - Chills
  - Muscle Pain
  - **Shortness of breath or difficulty breathing**
  - Sore throat
  - New loss of taste or smell
- If your child has symptoms related to COVID-19, as a parent this is what you need to expect:
  - Please look at the informational flyer from Stay Safe MN on the next page for the most current protocol and decision tree regarding testing/symptoms – as soon as protocol changes for this school year we will let you know.
  - *THE MOST RECENT INFORMATION WILL BE GIVEN TO YOU DURING YOUR INDIVIDUAL ORIENTATION and you will be continually updated throughout the year as information changes.*
- Children taking antibiotics must be on the medication for at least 24 hours before returning to school.
- Children who have vomited during the night should not attend school the next day.
- If you discover head lice in your child, please notify the school. Your child can return to school as soon as their heads have been treated with a lice killing remedy and they no longer have live lice in their hair. Children will be allowed to return to school after being cleared by the school nurse. Please know that this is confidential information and we will not disclose your child's name to non-school personnel.
- You must report to your child's teacher within 24 hours, exclusive of weekends and holidays, if your child is diagnosed as having a contagious, reportable disease, head lice, scabies, impetigo, ringworm, pinkeye, or chicken pox.
- If a child becomes sick during the school day, we will call the parent to come pick up the child. The child will be separated from others and must be picked up as soon as possible. If the parent cannot be reached, we will call the persons (in the order listed) on the Child Information Form. Please keep office informed of any phone number changes.
- In case of an emergency or injury at school which requires professional medical attention, parents will be notified immediately. If a child cannot be reached we will call the persons in the order listed on the Child Information Form. If necessary, we will immediately dial 9-1-1 and proceed with medical/dental help. Every effort will be made to contact the parents as soon as possible.
  - Some guidelines for keeping children at home:
    - Oral temperature above 100 degrees
    - Intestinal disturbances
    - Any undiagnosed rash
    - Discharge from eyes or ears
    - Profuse nasal drainage

*If your child has a dry, unproductive cough OR shortness of breath they will be denied entrance into the building.*

*If your child has 2 or more of the symptoms listed to the left they will not be allowed entrance into the building.*

# Decision Tree for People with COVID-19 Symptoms in Youth, Student, and Child Care Programs

For people (e.g., children, care providers, or staff) who have symptoms consistent with COVID-19, send home or deny entry and reference the exclusion criteria in this document to determine when they may return.

**Symptoms of COVID-19 include:** new onset cough or shortness of breath by themselves OR at least 2 of the following: fever (100.4°F or higher), chills, muscle pain, sore throat, loss of sense of smell or taste, and gastrointestinal symptoms of diarrhea, vomiting, or nausea.

If a person has a new symptom (for example, new loss of smell only) with no other diagnosis to explain it, they should stay home and talk to their health care provider about testing for COVID-19, even if it is the only symptom they are experiencing.

For people who received a laboratory test for COVID-19

What to do if you're waiting for COVID-19 test results (PDF)  
([www.health.state.mn.us/diseases/coro/navirus/waiting.pdf](http://www.health.state.mn.us/diseases/coro/navirus/waiting.pdf))

**Positive test result:** Stay home at least 10 days since symptoms first appeared AND until no fever for at least 3 days without medication AND improvement of other symptoms.

Siblings and household members also stay home for 14 days.

**Negative test result but symptoms with no other diagnosis:** Stay home at least 10 days since symptoms first appeared AND until no fever for at least 3 days without medication AND improvement of other symptoms.

Siblings and household members also stay home for 14 days.

For people with a COVID-19 diagnosis without a lab test OR people with symptoms consistent with COVID-19 without a medical evaluation (e.g., monitoring symptoms at home)

Stay home at least 10 days since symptoms first appeared AND until no fever for at least 3 days without medication AND improvement of other symptoms.

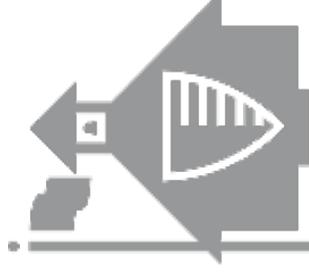

Siblings and household members also stay home for 14 days.

For people with other diagnoses (e.g., norovirus, strep throat) that explain the symptoms, or when a health care provider says symptoms are connected to a pre-existing condition

Stay home until symptoms have improved. Follow specific return guidance from the health care provider or follow the [Infectious Diseases in Childcare Settings and Schools Manual](#) ([www.hennepin.us/daycaremanual](http://www.hennepin.us/daycaremanual)).

If symptoms related to a pre-existing condition change or worsen, talk to a health care provider to determine next steps.

Siblings and household members **do not** need to stay home.

## **Mandated Reporters**

All NRHEG Panther Preschool staff members are mandated reporters. If any staff member suspects that a child is being abused and/or neglected, we are required by law to report such cases to the authorities.

## **TRANSPORTATION**

You are responsible for your child's transportation. We will only release your information to families in your child's session if you indicated on the registration form for carpooling help. This list will be emailed to you along with your child's preschool class session towards the beginning of August.

## **FORMS THAT MUST BE ON FILE IN THE OFFICE**

1. Immunization Records and Health Care Summary
2. General Enrollment/Consent and Contact Form

*All forms must be on file in order to begin classes.*

## **ATTENDANCE PROCEDURES**

1. Try to attend each class. Children are a special part of the group and will be missed if they are absent. If parents know they will not be attending class, you should call your child's teacher at least 30 minutes prior to class beginning.
2. Please communicate with your child's teacher prior to an extended absence. After 2 weeks of absence, without explanation, your child's spot may be filled by a child on our waiting list.
3. Children should try to arrive on time. The teachers allow themselves 15-30 minutes to set up before classes begin. *Please wait in your vehicles/outside, as you will not have access to the school hallways to wait for class to begin due to COVID-19 restrictions.*
4. If a parent is late picking up their child, the teacher will wait with your child in the classroom for a parent or guardian. After 5-10 minutes you will be contacted.
5. **School Closing Announcements** – During inclement weather listed to local radio and TV stations for school closings. There will be no classes if NRHEG Public Schools are closed. If NRHEG is running two hours late there will be no morning preschool classes. If NRHEG has an early dismissal, we will dismiss/cancel class the same time as the rest of the school building, but families are welcome to pick up their child ASAP. You do have the option to take part in our instant alert system at school. You will need to supply us with contact information for that.

## **TUITION PAYMENTS.**

You will not receive an invoice/bill. You are responsible for monthly payments. Payments may be made in cash or check. All checks should be made payable to NRHEG Community Education – Panther Preschool. Payments are required by the 1<sup>st</sup> of each month. A late fee of \$10.00 will be charged for any late payment. You can call the Community Education office during business hours to check on your balance.

- 2 days/week = \$85.00 per month
- 3 days/week = \$120.00 per month
- 4 days/week = \$150.00 per month
  - *There is also a discount offered for paying the entire year before Sept. 11<sup>th</sup>.*

Please pay this fee in advance every month to the office. You will be given a payment coupon booklet to help with keeping track of payments.

Payments can be mailed directly to NRHEG Community Education, 306 Ash Ave. S, New Richland, MN 56072. They may also be dropped off at the Ellendale school office or the New Richland Secondary School Office.

Pathway II Scholarships are available to families who qualify and have children who are 3 or 4 in Panther Preschool classes. Please request paperwork in the Community Education office. Scholarships are given out on a first come/first serve basis.
