From Mr. Fuchs:

"My first day was great at NRHEG! This was due to the warm welcoming by Mr. Bunn and the students of the school district. Thank you! I am looking forward to the rest of this year.

Mr.Fuchs"

From Mr. Otstot:

"The marching band performed at the 100th Anniversary National American Legion convention on August 26th. They did a fantastic job representing our communities at this event."

From Mr. Domeier:

"Our 13U baseball team was recognized by Youth 1st for outstanding sportsmanship this summer. There was a ceremony at the Steele County Fair, and the boys received free tickets to a Twins game, where they got to participate in a pre-game parade on Target Field. This group of young men exhibited Panther Pride well this summer!"

From Mr. Sorum:

"Five members of the NRHEG Clay Target team took part in the first ever USA Clay Target National Championship. Chancellor Olson, Aaron Olson, Evan Dobberstein, Alex

Dobberstein, and Caden Beauvais finished 10th out of 175 teams from 19 states. In the process, Chancellor, Evan, and Caden each tied the school record during this event with scores of 98 out of 100 targets broken.”

“The gardens are exceeding last year's production and the Ag Ed department, with the help of 2 grants, now has 3 hydroponic towers that will be used to grow herbs and leafy vegetables over the winter months.”

From Mrs. Bently:

“The drama club will begin its meetings on Thursday, and there is already great interest from past members for the activities and events.

Two students stepped forward during the summer offering to work as student editors of the Panther Press student newspaper. The first published issue is tentatively set for the first week in October.

The senior class is off to a good start with its many events and activities, with a system in place to have the class flowers, class colors, and class motto selected within the next few weeks. Seniors have also been giving thought to their preferred design for a class shirt.”

From Mrs. Eder:

“The REACH room is off to a great start working with 45 high school students and 18 middle school students.”
