From Tim Stoesz: "Congrats to the new NHS inductees: Alexandra Combs, Jayna Domeier, Agro Gushwa, Grace Kofstad, Tiara Malakowsky, Maggie Maloney, Paige Peterson, Annie Prigge, Aracelis Sepulveda, Holly Stene, Hailey Stenzel, Laura Worrell."

From Mark Domeier: "*The Secondary School had \$77 worth of Boxtops for Education donated this last cycle. That money will go into a fund to support student activities.

*The 8th grade Honors English group is working through National Novel Writing Month. Students have a goal of 8000-10,000 words for a single story in order to develop characters, plot, setting, and all the elements of a good story as well as show the perseverance to stick to a big project. At this time, one student already has over 16,000 words, and others are already nearing 10,000."

From Mrs. Fredrickson: "Congratulations to the Concert Choir for sharing their renditions of "United We Stand" & "God Bless the U.S.A." at our annual Veterans Day program on November 9.

Also note, the positive interaction we had with the NRCC Singers sharing the stage with us, as well as Mrs. Klocek sharing her talents at the piano with

David A. Bunn, High School Principal

Douglas A. Anderson, Elementary Principal

students and community- great example of coming together as a community and school to honor our veterans!"

From Mr. Sorum: "We had six students attend the National FFA Convention. The highlight of the convention was seeing Garth Brooks in concert.

The FFA raised about \$2500 in donations for Camp Courage from the Corn Drive."

From Mrs. Weegman: "9th grade Computer Skills, both sections are completing their unit on Business Letters, Resumes and Cover Letters. Several of the students in each section have expressed interest in wanting to apply for summer jobs. This was a perfect time to acquaint students with what a resume and cover letter is, to determine skills and abilities that students may not have known they have and to highlight certain skills for job specific postings.

Introduction to Business class has re-opened the Panther Store Kiosk. Currently we are selling last year apparel and accessories to make room for our new crew neck and hoodie sweatshirts.

The design on the front is the same as last year, the state of MN with the paw located in New Richland. Along with bringing back the gray sweatshirt with the white paw, new this year, will be a red sweatshirt, along with a distressed look of the letters NRHEG on the sleeve (to match the front print). The Intro to Business class will also be learning about Entrepreneurship, and the students are eager to add an online Panther store within the next month. The online store will offer a wider variety of apparel and other NRHEG items.

Outside of the classroom, I am happy to be a part of the NRHEG family and looking forward to attending and supporting the upcoming band and choir concerts, and winter sports. I have already been asked by several students whether I will be attending boys and/or girls basketball games.

My response is "yes, I'm ready and waiting" 😊"

Football: Congratulations to the football team for being Section IIA Champions for the first time as NRHEG Panthers and for participating in the state tournament.

School Leadership Team: Will be planning our next two-hour late start that will be focusing on Formative Assessments. I have been sharing various formative assessment ideas to staff via email.

Secondary School Pictures:

Pat Theuer has put student photos into JMC for both buildings. These photos are great to have in case of a crisis situation.
