Trap Shooting	
Basketball	
Track and Field	
Baseball – Quad City	
4-H	
Football	

How many years have you attended NRHEG? What are your best memories here? I started at NRHEG in preschool and have been here ever since. My favorite memories are enjoying being young away from the real world and creating new friendships.

Are you employed and/or do you have a summer job? If so, where & what do you do? Before basketball season this year I worked at the Hope Creamery for two years.

What are your plans after Graduation? I would like to attend a community college, move out as soon as possible, work while at school and then eventually graduate with no college debt.

Describe yourself: what do you like to do, favorite things, hobbies/interests, family, pet, etc. I like to spend time at home. I like building bonds with my friends by hanging or doing things together. I spend a lot of my free time playing playstation, hanging in my room and watching youtube.

What is something surprising most people do not know about you? I am going to California for graduation vacation.

What words of advice do you have for the under-classmen? My words of advice are to respect your older classmen because they have been there and done it. They know a lot more than you think.
