How many years have you attended NRHEG? What are your best memories here? My entire school career I have been at NRHEG. My favorite memories of high school are just spending time with my friends and making new ones as well.

Are you employed and/or do you have a summer job? If so, where & what do you do? I work with my dad. He is a construction worker and I help him clean up and finish indoor projects.

What are your plans after Graduation? My plan is to attend Winona State University. I am undecided at the moment, but am considering majoring in social work.

Describe yourself: what do you like to do, favorite things, hobbies/interests, family, pet, etc. I enjoy watching movies/Netflix, painting, playing piano/ukulele, and spending time with my friends and family.

What is something surprising most people do not know about you? I really enjoy painting in my free-time.

What words of advice do you have for the under-classmen? Don't worry about what others think and just be yourself.
