How many years have you attended NRHEG? What are your best memories here? 13 years ago, starting with kindergarten. Best memories here is the fact of living your life with all the friends I've made.

Are you employed and/or do you have a summer job? If so, where & what do you do? Yes, George's of Geneva and Embrace in Albert Lea watching my brother Dakota.

What are your plans after Graduation? Not 100% sure. I am thinking of going to Riverland in Albert Lea to be an electrician.

Describe yourself: what do you like to do, favorite things, hobbies/interests, family, pet, etc. I am a young man just trying to be nice to everyone I can. Seeing and hanging out with my friends has been my key since I could remember. I hope my brothers enjoy it as much as me and I love my mama.

What is something surprising most people do not know about you? I have been making all the food you have been eating at George's for 3 years now.

What words of advice do you have for the under-classmen? To respect your peers and to have as much fun as possible.
